* If your usual lunch period is one of these periods, then attend lunch as usual. If you do not have lunch during one of these periods, then choose only one of the periods for lunch and attend class during the other period.

Attendance: Student attendance in Power School will be marked “SF” (School Function) on the date and time of the AP exam. Students report directly to the exam room or bus at the times listed above.

Snack during the 10-Minute Break: Students may bring a small snack and drink for the ten-minute break between sections 1 and 2 of the AP exam. Drinks should be stored in a spill-proof container or plastic bottle.

Off Campus Testing Information: Glenbard East students will test off campus at the Ackerman Sports and Fitness Center in Glen Ellyn. Our school will provide transportation.

Bus Boarding: On the day of the exam, students report to **the foyer on the second floor between Biester and Rider Halls**. Students will show their school ID to receive a bus-boarding pass. Students must hold on to their bus-boarding pass for the remainder of the day.

For morning exams, boarding begins at 7:25 a.m. and the bus departs at **7:35 a.m. sharp**. Boarding and departure times for afternoon exams vary and are listed in the chart below. The bus **WILL NOT** wait for tardy students, therefore students should plan to arrive at school with all required testing materials in their possession. Please review the list on the following page of what to bring or not to bring on the day of your test.

The return times listed in the chart below are best estimates. In the event of a major delay, an e-mail alert will be sent to the parent e-mail addresses provided in your online AP exam registration account. Buses will drop off students by Door 1 off of Wilson Avenue.
